## Sterling Scholar Application

A Sterling Scholar is a high school senior who is publicly recognized and awarded for the pursuit of excellence in scholarship, leadership, and citizenship in the State of Utah. A potential Sterling Scholar presents an all-encompassing portfolio on their work in a specific category and is interviewed by judges in the category's field at various times. Sterling Scholars are awarded at the high school, semi-final and finals levels. At the Awards ceremony, finalists in 14 categories are announced and then an overall Sterling Scholar winner is also announced.

At the high school level students may apply in more than one category but may only be selected for one category. Students who apply in more than one category need to fill out a separate application for each category. The categories are: English, Math, Science, Social Science, World Languages, Business and Marketing, Family & Consumer Science, Computer Science, Skilled and Technical Science, Theater/Speech/Forensics, Visual Arts, Vocal Performance, Instrumental Music and Dance.
